### END OF FISCAL YEAR

Program Funds (usually used for foster care client expenses) expire at the end of the fiscal year which is June 30. Expenditures made by June 30 use the old year's money. Expenditures after June 30 use the new year's money. Bills and reimbursement forms for the fiscal year ending June 30 must be submitted to your client supervisor by July 20. The date of expenditure determines which fiscal year's money is used. Do not mix expenditures from both years on the same reimbursement form. There is no need to spend all the money available to the client. Unused funds will be applied to other program needs. This procedure does not apply to client owned funds.
